

Blumenwiese Scribble

Aktivitätsdiagramm Blumenwiese

drawTulip

moveTo random point

quadraticCurve als Stängel

draw Lines für Blüten
fillStyle red

draw Lines aus der
Blume „Orange“

drawClouds

-sizeX
-sizeY
-position X
-position Y

particleNumber
particleRadius

arc mit particleRadius
an-position X/Y

$i < \text{particleNumber}$

$i++$

$x = (\text{Math.Random}() - 0,5) * \text{-sizeX}$
 $y = \text{Math.Random}() * \text{-sizeY}$
draw particle

draw Mountain

height

var min = ""
var max = ""

Startpunkt an height

x Vert < Canvas.width

Line to random height
zwischen max und min height
und random width zwischen
max und min width

line To x = window width
x = window height * 0,9
close path()
